HOW TO

USE A BLUEBIKE

USING THE APP:

- Open the app and sign into your account.
- Tap the closest station on the map screen. Be sure to enable location services for the app.
- Click on a "Single trip" and enter your **LMTMA discount code** to redeem your free ride.
- A 5-digit code will appear. Enter this on the dock of the bike you would like to take out.
- When the light turns green, the bike is unlocked!

AT A KIOSK:

- Press the "Getting Started" button on the kiosk screen.
- Insert your credit or debit card.
- Select "Single trip" and enter your **LMTMA discount code** to redeem your free ride.
- A 5-digit code will appear. Some stations display the code on-screen, others have the option to print the code.
- Enter this into the keypad on the dock of the bike you would like to take out.
- When the light turns green, the bike is unlocked!
